

BRONCHIOLITIS

VIDEO + INFOGRAPHIC + EBOOK

The bronchiolitis parent tools were led by TREKK Co-Directors Drs. Shannon Scott (ECHO Research) and Lisa Hartling (ARCHE). Development of the tools involved a rigorous and iterative process, bringing together trainees, researchers, and experts from a variety of specialties (nursing, pediatrics, and emergency medicine) as well as Pediatric Parent Advisory Group Members. To learn more about the developers, see the References & Development Team document below.
