COVID-19 AND THE ED

VIDEO + INFOGRAPHIC

The COVID-19 and the emergency department (ED) [video](#) and [infographic](#) were created through a collaboration between [ECHO Research](#) and [ARCHE](#), with support from [TREKK](#). Development of the tools involved a rigorous and iterative process, bringing together researchers and experts from a variety of specialities (nursing, pediatrics, and emergency medicine) as well as Members of the Pediatric Parents' Advisory Group. To learn more about the developers, see the References & Development Team document below.
